

THE VIRGIN MARY
TRIBE OF ASHER

By Keith Frank

For this post I wanted to prove that The Virgin Mary was a chosen member of the Tribe of Asher. Being "the handmaid of the Lord", I wanted to use Zilpah Jacob's handmaid and the mother of Asher to verify. Let us begin with 2 key scriptures:

"and the sons of Zilpah, Leah's handmaid; Gad, and Asher: these are the sons of Jacob, which were born to him in Padan-aram."

GENESIS 35:26

"And Mary said, Behold the handmaid of the Lord; be it unto me according to thy word. And the angel departed from her."

Mary, mother of Jesus

According to the gospels of Matthew and Luke in the New Testament, Mary^[b] was a first-century Jewish woman of Nazareth,^{[2][3]} the wife of Joseph, and the mother of Jesus. Both the New Testament^[c] and the Quran describe Mary as a virgin. According to Christian theology, Mary conceived Jesus through the Holy Spirit while still a virgin, and accompanied Joseph to Bethlehem, where Jesus was born.^[5]
